

National College for
Teaching & Leadership

Aspire2Senior Leadership!

This highly successful and unique ten month programme has been designed for middle and senior leaders from BME backgrounds keen to progress to the next level - be that assistant head, deputy head or headteacher. As well as a two day residential at the National College in Nottingham in October 2013, you get the opportunity to have six months mentoring and coaching, a 360 degree online leadership skills assessment and access to your choice of one day workshops, twilights and webexes. Places are limited so don't delay in booking your place now!
