

COVER SUPERVISOR PROGRAMME (Secondary)

Aim

This programme is for Secondary School Cover Supervisors who have a desire to be more effective in the classroom when supporting learning. Following the programme they leave with clear ideas of; how to enhance the climate for learning, the management of learning and behaviours, and facilitating effective learning.

About the Programme

The programme comprises four afternoon sessions over two weeks. A key aspect is the opportunity to share previous experience, expertise and new learning with colleagues in a safe, supportive yet challenging environment. The following will be explored:

- High expectations, High engagement in learning
- Behaviours for Learning and Classroom Management
- Supporting Learning strategies and techniques (Questioning, Problem Solving and finding solutions, Monitoring, Feeding back and reporting to Classroom Teacher, Identifying why barriers to learning occur, Problem Solving and finding solutions, Differentiation)

The programme includes Ward Rounds and Classroom observations, Action Planning, Post Sessional challenges for delegates to try out new learning and share outcomes at the following session; and exploring Coaching as an effective method to bring about learning.

Cover Supervisors will feel inspired and motivated to take their learning back into school having an immediate impact on the students in the classroom.

How will my students benefit?

The implementation of the techniques shared on the programme will impact directly on the challenge and engagement in lessons and subsequent progress and attainment that the students achieve.
