Improving Teacher Programme

Intensive practical and interactive training to empower teachers with the skills, knowledge and confidence to succeed

Who is it for?

This programme is for schools and teachers who want to advance, develop and improve their teaching practice and deliver consistently good lessons.

What will it do?

The end result is a motivated teacher with the tools and expertise to succeed, leading not only to enhanced classroom and pupil performance but also higher standards across the school. Participants will know how to deliver key concepts through consistent practice.

It will deliver an invaluable opportunity for teachers to pick up successful techniques and formulate new strategies to bring back to their own classroom from observing teaching best practice.

Outstanding Teacher Programme

Intensive practical and interactive training to empower teachers with the skills, knowledge and confidence to succeed.

Who is it for?

This programme is for teachers who are, or have the potential to be, outstanding. To develop their practice and help them carry out a whole school responsibility for teaching and learning.

What will it do?

The end result is a teacher who can reflect on their teaching with the tools to enable raised levels of engagement in learning, through providing consistently outstanding lessons. An innovate teacher who is willing to take risks.
