in Primary Foreign Languages**

Speakers: Nicole Valencia, Southend Primary MFL Coordinator

**Wednesday 15th October 2014- Southend High School for Girls
4.15pm to 5.45pm (refreshments from 4pm)**

So here we are, there is no looking back, Primary Foreign Languages are on your curriculum at KS2. In this first session of the year, we will look at different models of teaching adopted across our town as teachers share their current practice. There will be ideas for useful resources, some practical tips as well as the opportunity for some schools to pilot different approaches to language teaching.

So whether your school is experienced in language teaching or is just starting off, you would be strongly advised to attend the meeting and join one of the most vibrant learning networks in the area.

*Refreshments and tombola! Win your school some resources!
All Key Stages are welcome.*
