## PHONICS: READING LEADER TRAINING

New Vision English Hub invites Reading Leaders at schools in North East London and Essex to join our FREE six session CPD course. This course will focus on the fundamentals of running and teaching a phonic programme effectively and is not programme specific. Those who commit will be expected to attend all sessions and will receive a Department for Education English Hub certificate upon submission of a small-scale action research project completed as part of the sessions.

### COURSE AIMS:

- Develop participants' pedagogical understanding of the generic principles underlying SSP programmes
- Support participants to ensure their phonic programme is taught with fidelity, consistency and continuity from Reception to Y2 to boost the progress of the lowest 20% pupils
- Understand how and when to use decodable texts in a phonic lesson
- Share phonic expertise with colleagues locally and nationally through an action research project published online

### FACILITATOR:

The sessions will be facilitated by Clara Breakwell, New Vision English Hub Lead and Literacy Coordinator at Elmhurst Primary School. Clara has worked with schools throughout North East London and Essex to advise them on the delivery of their phonic programme. She is currently participating in the Department for Education English Hub Literacy Specialist Training.
