

Preparing Pupils for KS1 SATs

Target audience

Senior Leaders, future Year 2 teachers, support staff and anyone interested in KS1 SATs tests including Governors

Description

Because of the Key Stage 1 assessments, teaching Year 2 can seem daunting. This half day course is an early chance for teachers new to Year 2 to prepare for the year ahead. We will explore the format of the tests and the domains that they are attempting to assess. Teachers will leave with a range of practical strategies and a full understanding of how to prepare pupils for this whilst still retaining a creative classroom where pupils thoroughly enjoy learning.

Aims

- To become familiar with the reading, maths and grammar SATs in KS1
- To understand how to prepare pupils for these
- To know a range of practical approaches to teaching year 2 successfully

Approach

A half day interactive presentation

About the Facilitator

Jonathan Bond Educational Consultancy Ltd has been at the forefront of primary school CPD provision for ten years. Jonathan and his associate consultants employ a wide range of experience to provide bespoke CPD which is highly practical, inspiring and child-centred.

Hazel Pearson - Is an associate at JBEC Ltd, providing support and training to schools mainly in the areas of English and Foreign Languages. She delivers training both within schools as INSET days and staff meetings, and at teacher training centres. She also works alongside individual teachers and subject leaders to help them develop provision in their schools.
