

Calling all trainee and newly qualified teachers!

Venue: RHS Garden Hyde Hall

Date: 25th June, 4-6pm

Learn new skills in the garden!

The RHS is committed to supporting newly qualified teachers as they embark on their school careers, providing them with the skills to deliver outdoor learning opportunities with their pupils.

SETSA has joined forces with The RHS Campaign for School Gardening to present this popular twilight session.

You will:

- Gain the confidence to work in the garden with your class
- Discover how to use the outdoors and plants for teaching Primary Science
- Take a pack of achievable, practical projects and resources back to school
- Be able to ask the experts

What people are saying

“Really fun activities to encourage new teachers”

“Great delivery of the session. Really got across the importance of being outside”

“Really useful session, very inspiring – feel confident to have a go”

Cost: £20 per person

Registration:

If you would like to book places on this twilight session, please follow the link below:
