

## SEND 2014 Conference – “Support and Aspiration” Planning for Implementation of the New SEND Law – SEN Code of Practice/System (0-25)

### Target audience

Primary and secondary SENCOs and other middle / senior leaders with strategic responsibility for SEN

### Description

The programme for the conference will include:

- The national picture of SEN (statistics, data behind DfE vision)
- Key national changes (DfE vision, legislation, Code key points)
- The role of the SENCO in developing provision (focus on assess, plan, do, review cycle)
- Ofsted and accountability
- Upskilling others to meet the demand of the Code: CPD for staff
- What next? Action planning

*“Natalie has delivered some of the best training courses I have attended as a SENCO. She is very knowledgeable but remains grounded in real practice. A brilliant trainer!”*

*“I would like to take this opportunity to thank you for a most informative day. The course was excellent and I would thoroughly recommend it to*

### Aims

- To understand the changes to the national SEN system
- To consider practical implications of the national changes to SEN for your own school.
- To share ideas for supporting strategic planning of SEN.

### Approach

The day will be a mixture of presentation, discussion, case study examples and some practical activities.

### About the Facilitator

Natalie is an Independent Education Consultant, specialising in school improvement, outstanding teaching and SEN. She delivers a wide range of professional development packages for primary and secondary teachers, senior leaders and teaching assistants.

Natalie has previously worked for the National Strategies SEN Team and has been a local authority Adviser for SEN and School Improvement, a primary Headteacher and a SENCO. Natalie is the author of *The Perfect SENCO*, an essential read for those wanting to develop their strategic SEN role effectively.
