

High impact science
CPD delivered by
schools near you

Southend, Essex & Thurrock Science Learning Partnership are running a number of CPD sessions in Southend and Leigh-on-sea this Summer Term.

Places on these are limited and we are very keen to ensure as many of our partner schools benefit from these excellent training opportunities as possible. Booking is via the STEM website, however if you have any questions prior to booking, or if you run into any issues with making a booking, please call us on 01702 509365 or email ts@whsg.info

Approaches to Progression and Formative Assessment

23 May & 23 June 2017 (two afternoon sessions)

Timing: 1-4.30pm

Venue: Leigh Community Centre, Elm Road, Leigh-on-sea, Essex SS9 2LR

Trainer: Claire Seeley

Evidence shows that effective Assessment for Learning (AfL) leads to raised attainment. Now that formal recording of levels has been removed, you need to be secure in your understanding of how to make judgments about children's achievements and progress. Throughout the course we will identify how you can integrate and embed assessment practices into your science teaching.

Creative Ideas for Working Scientifically

19 June 2017 (one afternoon session)

Timing: 1-5pm

Venue: The Tickfield Centre, Tickfield Industrial Estate, Tickfield Ave, Southend-on-Sea SS2 6LL

Trainer: Danny Nicholson

Effective teaching of scientific enquiry is central to developing children's ideas, skills, knowledge and understanding in science. In this session you will be able to implement strategies for planning, resourcing and organising a range of types of enquiry in order to improve children's outcomes.

Leading effective professional development

22 June 2017 & 12 July 2017 (two full day sessions)

Timing: 9.30-4pm both days

Venue: Westcliff High School for Girls, Kenilworth Gardens, Westcliff-on-Sea SS0 0BS

Trainer: Bob Cooper

This course is designed to equip school based colleagues (teachers and technicians) with the skills to become an effective facilitator of subject specific CPD. It explores in detail the research and ideas about what makes effective CPD. **Participants can claim back the full cost of the course if they deliver CPD on behalf of Southend, Essex & Thurrock Science Learning Partnership in the following 18 months.**

Developing the Role of the Science Subject Leader

26 June & 6 July 2017 (two afternoon sessions)

Timing: 1-4.30pm

Venue: The Tickfield Centre, Tickfield Industrial Estate, Tickfield Ave, Southend-on-Sea SS2 6LL

Trainer: Bob Cooper

Good subject leadership has a positive impact on the quality of science teaching in primary schools. You will explore a range of strategies to audit and lead science in your school, understand your role more fully and be able to identify and promote effective primary science.

Practical ideas for delivering curriculum

3 July 2017 (one afternoon session)

Timing: 1-5pm

Venue: The Tickfield Centre, Tickfield Industrial Estate, Tickfield Ave, Southend-on-Sea SS2 6LL

Trainer: Danny Nicholson

This session will take a look at the new national curriculum for science, in particular the topics of Evolution, Adaptation and Living things. It will provide an opportunity to discuss common misconceptions and how to teach them as well as provide engaging practical ideas for the classroom.
